LETTER OF RECOMMENDATION

Mr Marcin Makowski has worked for Ove Arup & Partners International Ltd. Sp. z o.o. Oddział w Polsce, as a legal solicitor and has consistently performed his duties with competence and care. He was equally diligent while probing investment procedures and the natural environment or nature protection issues, in relation to both Polish and European Union legal systems.

Mr Marcin Makowski was responsible for the legal advice on administrative procedures and the administrative courts' procedures.

The information provided by his legal counsel and his interpretation of the current regulations along with legal comments was very matter-of-helpful. It allowed for a comprehensive opinion formation giving way to practical problems solution appearing in the procedures in relation to the project he was involved in.

I sincerely believe that the solicitor Mr. Marcin Makowski is an outstanding lawyer with profound knowledge of the complexity of the investment process environmental law aspects therefore we may recommend him as a top quality specialist in his field.
