SUBJECT: RECOMMENDATION FOR MR. MARCIN MAKOWSKI

Dear Sir,

LETTER OF RECOMMENDATION

Over the time that legal counsel Marcin Makowski worked for WorleyParsons, he consistently performed his duties with competence and was an excellent problem solver of a practical nature which appeared on many occasions while applying investment procedures, the natural environment and nature protection issues in particular, in relation to Polish, UE and international legal systems.

Over the time of his cooperation with us, Mr. Marcin Makowski was responsible for the legal procedures concerning WorleyParsons handling the Environmental Impact Assessment and location study issues for the First Polish Nuclear Power Plant within which he was responsible for the legal aspects of the Environmental Impact Assessment within the investment process and as Attorney for the procedure of acquiring the Environmental Decision with regard to the project performance on behalf of WorleyParsons.

Mr. Marcin Makowski assisted also the WorleyParsons' employees and subcontractors, giving them professional legal help covering the performance of the tasks under contracts concluded with the clients. The information provided to them by legal counsel Marcin Makowski and his interpretation of the current regulations along with legal comments was very matter-of-fact and creative which allowed for a comprehensive opinion formation giving way to practical problems solution appearing in the investment permit acquisition procedure in relation to the nuclear power plant construction.

I sincerely believe that legal counsel Mr. Marcin Makowski is one of very few lawyers with profound knowledge of the complexity of the nuclear power investment process and therefore recommend him as a top quality specialist.

Best regards,
